BAITING DATES FOR 2022

17th, 21st and 24th February 2022

Orders are now being taken for the Barrabool Hills Landcare Group's annual rabbit baiting program. This successful program, now in its 17th year, is organized by volunteers for the community. Pindone is a cumulative poison. To be effective, rabbits need to ingest the baited carrots on **three** separate occasions over a one-week period.

ORDERING AND PAYMENT

The minimum quantity that can be ordered is 5kg x 3 costing \$84 (incl GST) in total. You will need to estimate how much bait you will need for each of the three baiting days ie 5 kg, 10 kg or 20 kg as per below. Please call our Hotline if you need help estimating or have issues with the website shop/payments.

Options for ordering and payment methods are:

EITHER

1/ Order & pay securely via our website

<https://www.barraboolhillslandcare.org.au/shop/>

Payment options are bank transfer, credit card or PayPal.

You do not need to submit this order form but please keep it as a reminder for pick up dates etc.

OR

2/ Pay by cash or cheque at any **Bendigo Bank Branch**

(Account No 163791817) using your surname as the Reference.

You will however need to scan and email your completed order form to barraboolhillslandcare@gmail.com

or mail it to: 1133 Hamilton Hwy STONEHAVEN 3218

Note: Unfortunately, we cannot directly accept cash or cheque payments in the current Covid-19 environment.

Thank you for your understanding and cooperation.

Orders and payments must be received by **8th February 2022.**

⊗ Regrettably we are **unable to process any orders or payments received after this date.**

A Tax Invoice/Receipt will be emailed (where possible) after receipt of your payment. A paper copy will be provided upon request.

COLLECTION DEPOTS

Your entire order will comprise **three** separate allocations. These will be available for collection on the above **three** dates from only one of following two depots.

Depot 1 – Barry & Glenys Harvey - 232 Hendy Main Road, Mt Moriac Ph 0407568292

Depot 2 – Brien & Judy Cohn - 25 Kingsbury Lane, Waurm Ponds Ph 0414835833

It is the legal obligation of landholders to control rabbits on their property. One pair of rabbits can produce 180 offspring in 18 months and 12 rabbits eat as much as one sheep! Baiting, warren destruction and removal of areas where rabbits can hide are recognized as being essential components of an integrated rabbit control program
